

## TRAVEL TO BODØ

At bodø airport you arrive almost in the center of the city. The airport is only 2 km from the venue. there are good connections to other cities and easy to access from other countries. SAS, Norwegian, and Widerøe operates from the airport. Bodø is also the ending station of the northern railway in Norway and flight to Trondheim and the night train from there may be a good alternative. Check Vy.no

## BODØ2024

Bodø is the European Capital of Culture in 2024. The purpose of the project is to bring the people of Europe, and the rest of the world, together - using culture as a tool. In 2024, over 1000 events will be held throughout Nordland county. Bodø2024 has focus on youth, competence building, sustainability and cooperation with various European institutions.

## ONE OF THE WORLDS MOST EXCITING DESTINATIONS TO VISIT !

The county Nordland, which has Bodø as the capital city, is one of the worlds greatest places to visit in 2024 according to National geographics: <https://www.nationalgeographic.com/culture/article/uk-cool-list-2024>
